Prior to the trip, these team members were brought into a meeting with Lorem Ipsum and were told they were selected as the inaugural Lorem Ipsum. Their selection was based on them living out the attributes of Lorem Ipsum’s Cultural Profile on a daily basis throughout 2017. They serve as an example of what it means to be a Lorem Ipsum team member that goes above and beyond every day.

The Lorem Ipsum Cultural Profile attributes include **Behaving Like an Owner, Bringing Out the Best in People, Achieving Ambitious Results, and Being Passionate About Your Clients.**

The **Behaving Like an Owner** attribute is demonstrated when decision making that puts the bank first leads to client-bank relationships that are harmoniously balanced. **Lorem Ipsum** and **Lorem Ipsum** took this attribute to new levels. They were diligent, accurate, and worked with a sense of urgency to ensure that all needs were met. **Lorem Ipsum** also demonstrated this attribute by going above and beyond for our internal and external clients, whether it was a rushed client request, or prioritizing the opening of accounts to make an impact on the bank’s balance sheet. **Lorem Ipsum** is a Credit Manager working in Lorem Ipsum’s HQ office in Orlando, and he lived this attribute through efficiently wearing different hats and his organization of credit files, portfolio management and leadership that lead to successful OCC, Loan Review and Internal audits exams.

The **Bringing out the Best in People** attribute is demonstrated through a constant willingness to

collaborate with and help peers and clients. **Lorem Ipsum** was a shining example of this attribute, as she was the first to arrive at the Service Desk and many times she was the last to leave. In addition, during Hurricane Irma, she was among the first to return to work after the storm had passed.

The **Achieving Ambitious Results** attribute is demonstrated through a relentless and positive pursuit of goals that leads to top achievements. **Lorem Ipsum** owned this attribute as he has been the top producing RM in the Lorem Ipsum group for the past 2 years. In addition, **Lorem Ipsum** also demonstrated this attribute by exceeding his production goal by 183% and closing an impressive 69 residential mortgage loans. **Lorem Ipsum** is also an excellent example of someone who demonstrated this attribute through his constant best-in-class service in all facets of his business responsibilities. His work ethic and dedication to service is always at exceptional levels.

The **Passionate About Your Clients** attribute is demonstrated by always delivering first-in-class service to clients. **Lorem Ipsum** had this attribute down pat as she and her team worked very close with internal and external clients to clear loan exceptions and gather financial ticklers. Her results and that of her team ensured that our loan portfolio passed muster when auditors and examiners performed their reviews. She is an excellent coach and developer of talent that truly lives this attribute. Over the past several years, she has taken raw talent and turned those associates into valued assets of the bank in other higher roles. **Lorem Ipsum** – a highly professional, courteous, responsive and accountable individual – also demonstrated this attribute in 2017 through being the ultimate team player, dedicated and driven while always taking care of the clients, team members and shareholders.
